

EX LED HEADTORCH

EX600

RUGGED CONSISTENCY FOR THE EXTREME

The EX600 LED headtorch is designed to be tough, compact and comfortable. The use of high impact resistant materials provide reliability for demanding conditions faced in hazardous and potentially explosive environments.

The light-weight and ergonomic design of our headtorch delivers high quality light output for maintenance and inspection jobs, rope access and confined space entry. With two light output settings and simple push button operation, users can easily select the required lumen output based on their applications.

It operates at a high level of brightness with a 200 lumen light output combined with a long run-time. Robust, durable and lightweight, the SA LUMIN EX600 LED headtorch offers dependable, tough performance for full shift durations.

EX LED HEADTORCH

EX600

BENEFITS

- ATEX & IECEx certified for Zones 0, 1 and 2 (Gas)
- Simple push button operation
- Tough, anti-static casing
- Adjustable anti-static head strap
- Battery compartment locking mechanism
- 50,000hrs LED life
- IP67 protected
- Powered by 3 x AAA batteries
- T4 temperature class
- Swivel head

SPECIFICATIONS

CERTIFICATION

- ⊕ I M 1 Ex ia I Ma
- ⊕ II 1 G Ex ia IIC T4 Ga

INGRESS PROTECTION

IP67

OPERATING TEMPERATURE

-20°C to +40°C

MATERIALS

Impact resistant construction

BATTERIES

3 x AAA

BATTERY DURATION

Standard Mode - 12 Hours

Boost Mode - 6 hours

LIGHT OUTPUT

200 lumens

LIGHT SOURCE

High Power LED

DIMENSIONS

80mm x 50mm x 45mm

WEIGHT

180g (Including Batteries)
